

2nd October 2018

Broadstone Hall Primary School
Year 2 Meerkat Experience
Wednesday 31st October 2018

Dear Parent/Carers,

As part of our English & Geography topic this half term, we have organised a 'Meerkat Experience' at school for the children.

This is a creative workshop carried out by an outside agency that will take place within the classroom.

The workshop will include meeting The Meerkats and other wild animals. The children will be invited to spend time watching them feed, play and perform their natural behaviours. The animals will be under the close supervision of their keeper and will allow plenty of opportunity for the children to ask questions and find out all about the meerkats.

This experience will really bring the topic to life and we are sure that the children will thoroughly enjoy it.

All we ask is if you could contribute **£5.00** towards the cost of this exciting event.

We are using ParentPay for payments. Please log into ParentPay www.parentpay.com to make your payment, give consent and confirm your child's place. Consent for this event is essential.

If any children have an **allergies to animals** then please let the Office know as soon as possible.

Also if there are any other medical conditions the school are not already aware of please inform the Office.

If for any reason you cannot pay, please call into the Office for further information.

During this event, we will be taking photographs of the children whilst participating. If for any reason your child cannot be photographed, please inform us in writing.

Many thanks

Mrs. Keane
Miss. Healy
