Lee and Kim's Adventure
http://www.thinkuknow.co.uk/5_7/

This 8 minute animation introduces Lee & Kim, a brother and sister navigating the online world with the help of their trusted superhero friend SID!

With his super powers, SID shows them how to keep themselves safe while having fun online. Based around 4 simple tips for children to remember and a song, the cartoon aims to teach children how to protect themselves and others around them.

Help Griff and his friends stay safe while using email, mobiles and other new technologies

SMART Adventure

http://www.childnet.com/kia/primary/smartadventure/default.aspx

The exciting SMART Adventure illustrates Childnet's SMART rules and includes a real life SMART Crew of young people who guide the cartoon characters in their quest and help them make smart online decisions.

Caught in the Web - Year 6 only
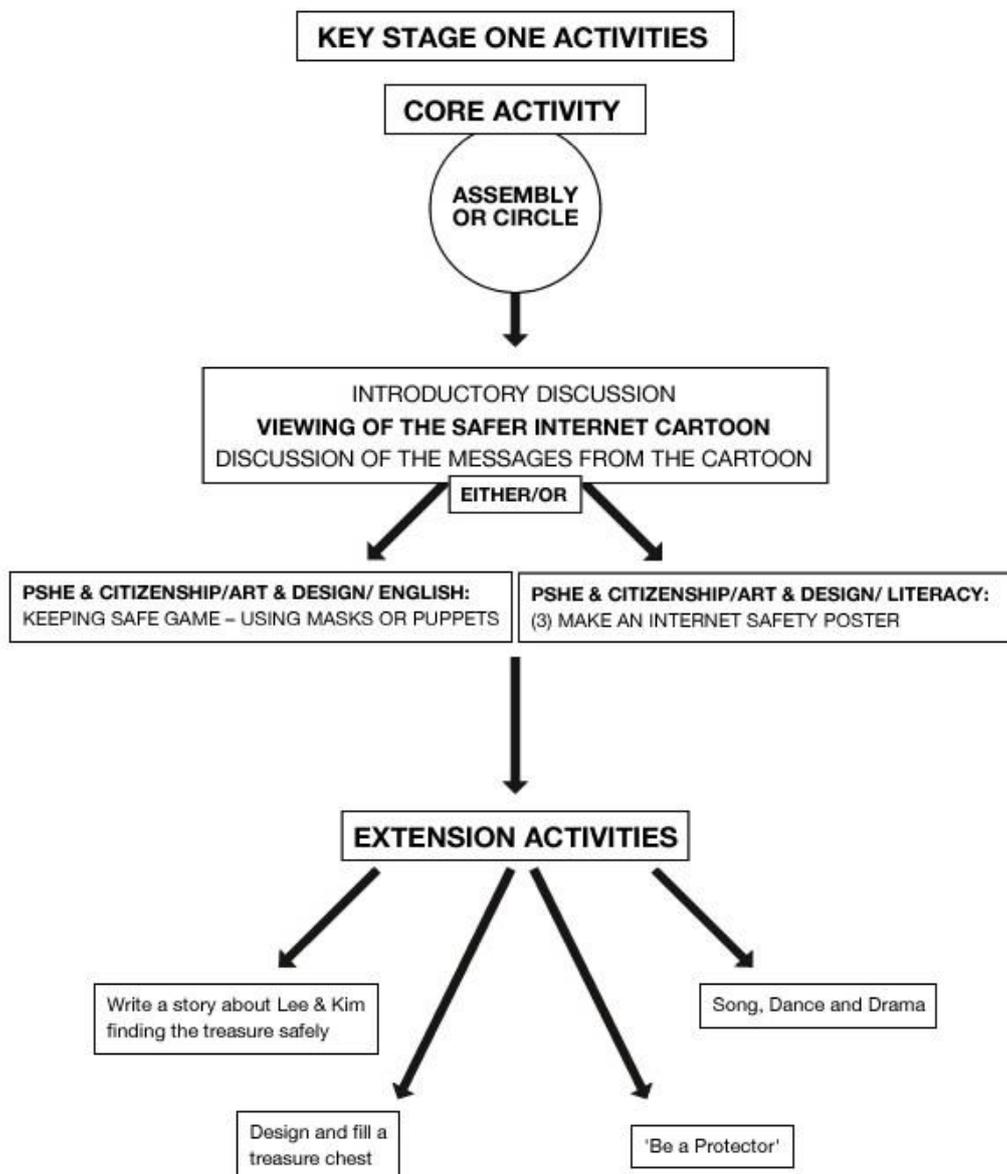

http://www.bbc.co.uk/cbbc/help/web/staysafe
Newsround has put together a special programme all about staying safe on the internet. Hard hitting programme to make children realise the important of keeping personal information safe.

Caught in the Web tells the story of a girl who gets into trouble after her virtual life in an online chatroom spills into the real world.

It also contains real-life case studies with kids who've had bad experiences online, like a girl who was cyber bullied and a boy addicted to gaming.

Example of e-safety lesson plan and cross curricular links

E Safety Poster

Be smart on the internet

S — SAFE
Keep safe by being careful not to give out personal information – such as your full name, email address, phone number, home address, photos or school name – to people you are chatting with online.

m — MEETING
Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present.

a — ACCEPTING
Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems – they may contain viruses or nasty messages!

r — RELIABLE
Information you find on the internet may not be true, or someone online may be lying about who they are.

t — TELL
Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.

You can report online abuse to the police at www.thinkuknow.co.uk

www.kidsmart.org.uk

Visit Childnet's Kidsmart website to play interactive games and test your online safety knowledge. You can also share your favourite websites and online safety tips by Joining Hands with people all around the world.
