Dear Sir or Madam

Re: Stockport War Memorial Art Gallery – World Poetry Exhibition 2019

Please find enclosed the students poems submitted to author Paul Morris for the World Poetry Day Exhibition that took place at Stockport War Memorial Art Gallery during March and April this year.

I would like to take this opportunity to thank the students for taking part in our exhibition, which was a great success and is something we would like to roll out on an annual basis.

We would also like to thank the teachers, who we know are very busy, for letting the students take part too!

Stockport War Memorial Art Gallery looks forward to receive poetry from your students in the future.

Yours faithfully

Katherine Rosati
