HEADTEACHERS NOTE:

Attached are the results of the recent parental survey. We had 205 responses which is amazing and the highest response to date. As a school, we are constantly evolving, changing and trying to improve for the better. Your opinion matters in this process so we thank you again for your honesty and taking the time to give your feedback.

I would also like to thank all my staff as these results are down to all their hard work and dedication to our children.
